

PRINCETON REGIONAL SCHOOLS

JUDITH A. WILSON, SUPERINTENDENT OF SCHOOLS • 25 VALLEY ROAD • PRINCETON NJ 08540 • (609) 806-4220

June 11, 2009

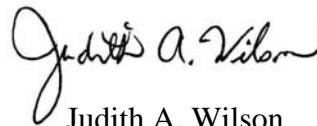

Dear Parents and Community Members:

As the week unfolds, we continue to see confirmed cases of H1N1 flu across the district and throughout the community and Mercer County. Additionally, many students are experiencing flu-like symptoms including fever.

Again, I urge you to follow CDC guidelines for good hygiene precautions. If your child is experiencing high fever, please keep him/her home and seek medical care. CDC guidelines recommend that children and adults stay home for seven (7) days from the start of fever! We will require doctor's clearance for return to school.

Stay well!

Sincerely,

Judith A. Wilson
Superintendent of Schools
