1530 EQUAL EMPLOYMENT OPPORTUNITIES

The Board of Education shall, in accordance with law, guarantee equal employment opportunity in the schools of this district.

Each otherwise qualified person shall be offered equal access to all categories of employment and equal pay for equal work in this district as defined by State and Federal law. The school district's employment applications and pre-employment inquiries shall conform to the guidelines of the New Jersey Division of Civil Rights.

The Board shall use equitable practices that prevent imbalance and isolation based on race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability among the district's certificated and non-certificated staff and within every category of employment, including administration. Promotions and transfers will be monitored to ensure non-discrimination.

The Board shall target certain underutilized groups, so as to provide among the faculty of each school, role models of diverse backgrounds.

The Board shall not enter into, or maintain, any contracts with a person, agency, or organization if it has knowledge that such person, agency, or organization discriminates on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability, either in employment practices or in the provision of benefits or services to pupils or employees.

The Superintendent shall promulgate a complaint procedure for the adjudication of disputes alleging violation of the law prohibiting discrimination in employment or this policy.

The Board shall not discriminate against any person for that person's exercise of rights under the laws prohibiting discrimination in employment or this policy.
